Carpooling to Meetings?

Special points of interest:

- *Carpooling to Meetings*

Bob Kelly's Camera Display

Some of our members live more than 10 miles from Kent Commons where we meet for our monthly meetings. If you are interested in connecting with another member in your area and carpooling you can contact Mike Immel via email. I can help to match up people and rides. Please indicate if you would like to exchange your cell phone numbers with the interested party. Please suggest a park and ride or another meeting place in your area to meet and if you want to drive or be the rider.

Once the club knows the of interested members the meeting place to carpool could be a park and ride of somewhere other than the persons home. This way the member would only have to drive a short distance and the all ride together. Once the carpool becomes familiar with each other then the option of someone picking the members up could be agreed upon by those members.
